SUMMARY OF THE REASONS FOR DECISION:

The untitled video recording also known as *19 Belinda, Rosie* is classified as:
Objectionable.

The video recording promotes and supports the exploitation of young persons for sexual purposes.

The video recording depicts two girls who present as being aged 15 to 17 years in a sexualised manner, for the purpose of viewer titillation and sexual stimulation. Sexual activity is explicitly depicted, and there is a pronounced focus on depicting genital, breast and buttock regions. The footage appears to be intended for use on the Internet.

This classification places a restriction on the freedom of expression outlined in the New Zealand Bill of Rights Act 1990. The result of the publication falling within the criteria of s3(2) of the Films, Videos, and Publications Classification Act 1993 is prescribed by law, in accord with Parliament's intention that publications to which s3(2) criteria apply should be banned so as to prevent injury to the public good.
